

23 February 1967

Mr. Thomas F. Ennack  
2534 Charlestown Avenue  
Toledo, Ohio 43613

Dear Mr. Ennack:

Your letter to the President, dated February 6, 1967, has been referred to this Agency.

A number of U. S. citizens have been imprisoned by the present Cuban Government on charges that are clearly false, and a careful and thorough review of our files reveals that your father never had any association with the Central Intelligence Agency. The responsibility for negotiating the release of U. S. citizens under these circumstances lies with the Office of the Coordinator of Cuban Affairs, Department of State. If you have not already written that office, I believe you should do so.

While we sincerely understand your concern and your desire to assist your father, we regret that we are unable to be of help to you in this matter.

25X1X Sincerely,

Joseph C. Goodwin  
Assistant to the Director
